Subject: Convention report 1/21

Hey all,

Firstly, With the state of the pandemic I am suggesting that we postpone the 2021 Regional Convention to 2022.

My reasons are as follows-

1. Trouble raising convention funds- without fundraising we could start and end with a budget deficit.
2. Participation. Who knows what the pandemic will look like in 9 months. Will a event of this size even be allowed.

Secondly, for the last year I've been trying to get people in convention committee positions with very little success. At our last zoom meeting there where 2 committee members in attendance. I could use some experience, strength, and hope.
